Having fun together

Whether it is a welcome-evening, excursion, or cultural program, living in the student residences of the Studierendenwerk never gets boring. The tutors in the residences organize all the events. Along with organizing parties, events, and get-togethers, the tutors are full of useful tips and information about living in Mannheim.

Easy access to your campus

All the houses are within biking distance to the institutions and are well linked to the large public transit network in Mannheim. Students who decide to purchase the ÖPNV-Semester Ticket also benefit from a great transportation system connecting the whole Rhein-Neckar Region.

Doing laundry with Autoload

Washing Machines and dryers are provided in the student accommodations. Students can pay for their laundry the same way they pay for their food at the cafeterias and cafes- cashless with the student ID (ecUM, HSCard, CampusCard).

Students from other institutions and guests can purchase a MensA-Card for a 6 Euro deposit at the Studierendenwerk Cafes at our various institutions or in the Infothek (Mensaria am Schloss). The easiest way to pay is the cashless payment system Autoload-just bring the Student ID/MensA-Card and bank card (EC Card). That's it! It's the weekend or late in the evening and you don't have any more money on your student card? Not a problem! You can top up your card at the washers and dryers using Autoload.

The cashless-payment system can be registered conveniently online at
www.stw-ma.de/en/autoload_online

Great apartments for students

Questions surround housing is an important aspect for students. The Studierendenwerk works hard to offer as many suitable accommodations as possible.

We are able to provide about 3,000 students accommodations in 16 various student residence halls. Everything from eco-friendly housing in the "Eastside" complex to the microcosm of the former military site in the Neckarstadt to the rooftop apartments of the Augartenstraße or the refurbished and trendy accommodations in the Hafenviertel.

Stylish and comfy: the apartments of B7.

At the same time you can concentrate on your studies in the peace and silence of your own room. The Studierendenwerk also offers accommodations for students with children or handicapped students.

Rooftop-Apartments above the roofs in Mannheim

Centrally located at fair prices

Whether it is an apartment or a single room in a residence hall, a traditional working-class neighborhood or an upscale suburb, the Studierendenwerk has an offer for every need. New Mannheimers can enjoy life in a vibrant community; making contacts and first experiences are easily to be found in the shared kitchens.

"Home Sweet Home!" in the Parking.

Everything you will need

Rent generally includes heating, warm water, garbage fees, corridor cleaning and internet access. Furnished accommodations are also available. Housing of the Studierendenwerk is calculable - there are no additional costs. More information about the various student residence halls can be found in the chart. Floor plans and 360° views can be found on our website. www.stw-ma.de/en/accommodations

Internet & service included

Most of our accommodations have access to the university's internet - so there is less hassle about setting up your internet and at no additional expense. Additionally, many student residence halls are set up with the university's "eduroam"-Hotspot. Students can log in once using their information from their institution and have Wi-Fi access.

So the students can fully concentrate of their studies, the Hausbetreuung services are included. They will help when moving in, make repairs, and make sure that the accommodation is functioning all the year round.

From online application to receiving an offer

Whether Apartment or WG - an application for the accommodations at the Studierendenwerk can be submitted six months before the desired move-in date.

Here's how it works:

Additional offers

Was the application for an accommodation not successful? Then take a look at www.gib-bildung-ein-zuhause.de. There you can find information about private accommodations and information about our "Wohnen für Hilfe" project.
